

# CONVERGE & RED HAT VIRTUAL MIXOLOGIST HAPPY HOUR

THURSDAY SEPTEMBER 17TH  
5:00PM ET | LIMITED TICKETS

Join us for our happy hour and a Q&A with Converge's SVP of Cloud Strategy, Greg Rhoades, to discuss the state of containers, Kubernetes and OpenShift while also crafting two specialty whiskey cocktails!

As an enterprise Kubernetes application platform, Red Hat OpenShift provides the services, integrations and solutions to help users accelerate, and optimize cloud native application development projects. In this session we'll discuss some of the latest topics around Red Hat OpenShift including Virtualization, Operators and Advanced Cluster Management.

We'll also have an expert mixologist who will guide us through the creation of two cocktails!

## How Does It Work?

- Sign up with your home address
- We'll mail you an ingredient kit & alcohol prior to the event
- Meet your expert mixologist online with your ingredient package on September 17th at 5:00 pm
- Learn how to mix the drinks, discuss Red Hat OpenShift & Kubernetes and enjoy!
