

# IBM Cloud Pak for Security

## Super Bowl Cooking Demonstration

Friday, February 5th

1:00pm PST | 4:00pm EST

What do football, wings and cybersecurity all have in common? They break the boundaries!

Join us to learn how to plan a data security strategy that will allow your organization to discover, classify and visualize your data sources while still being able to ensure compliance and maximize data security, all during a virtual cooking lesson!

Chef Rathbun has appeared on Pre-Superbowl Event "Taste of the NFL" from 1995-2020. Learn from the best how to cook a Super Bowl favorite - wings!

With a fully interactive Q&A, ask your questions and get a taste of how IBM Cloud Pak for Security can enable you to effectively respond to internal and external threats!

**REGISTER**

\*The first 50 people to register will receive a backpack cooler chair with a set of spices and rubs to create your very own tailgate at home!
